

Fantastic Beasts

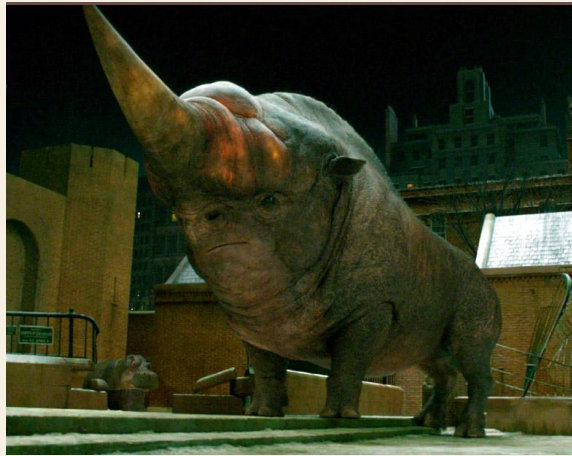

AI EDITION

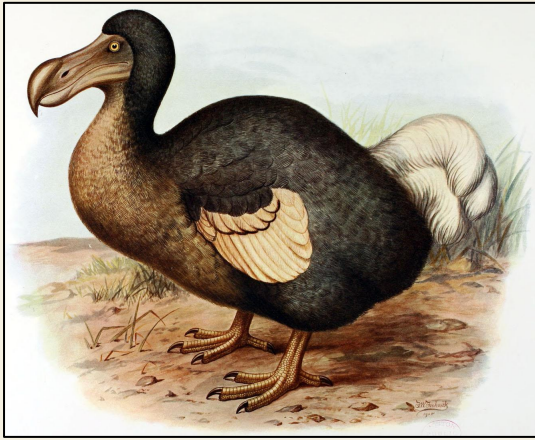

You are cordially invited
to a guessing game.

Can you identify which of the
following "fantastic beasts" are real,
which imaginary?

***How do you know? Is seeing believing?
What makes an image "credible"?***

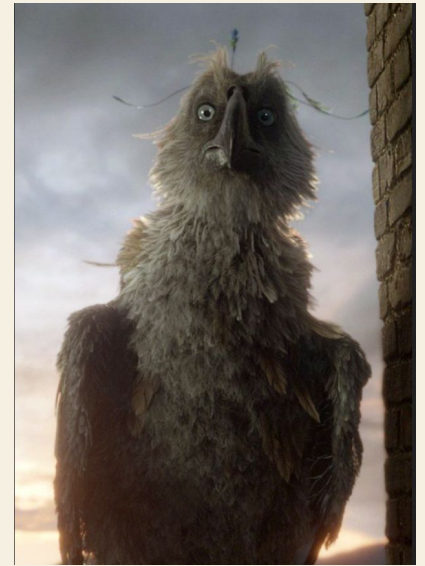

***Real or
imaginary?***

***How do you
decide?***

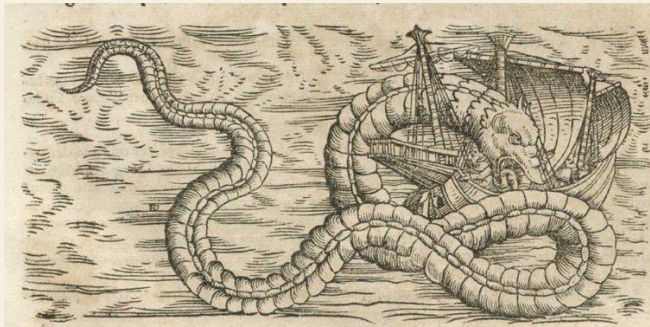

What criteria do you use?

Credible or not?

How do you know?

How do you decide what is
credible, what is not?

Name a criterion you might use.

What have you learned from this guessing game about credibility, as it might apply to modern media messages?

"Quiz": *Real or fake?* (Check Snopes.)
